Fred, what can you tell me about the proposed Estuary Mitigation Bank (MVN-2013-1428-MB)?

Thanks.

Likewise with me, I had it ready before the Holidays but did not want to have you thinking about it during your off time.

Thanks, Fred. I'm just now back in the office following the holidays and need to catch up a bit. Will look this over as soon.

**Subject:** draft 404c exception request

Barbara,

Please look over this draft request for an exception request to the Bayou Aux Carpes 404c Final Determination.
